Harrison Township Trustees will be our Featured Speakers at our February 15th Luncheon Meeting!

When you hear the name Pataskala Area Chamber of Commerce, a key word is Area. We don't want to lose track of what that means. We represent Harrison, Etna, Jersey and Saint Albans Townships in addition to the city of Pataskala. So along that vein, we are asking for an update on what is going on in these localities and if there is anyway that our organization can be of any assistance in their endeavors.

We are always looking for ways to improve the services that we provide for our members and along that line, you will find a survey included in this newsletter. We are asking that you fill it out and get it back to us. Among the networking opportunities that we provide is the opportunity to be a spotlight speaker at one of our regular monthly meetings. This is a great time to let everyone know what your business is all about and what services, products, etc. you have to offer. As we sometimes put it, it's five minutes to "Blow Your Own Horn!" Come out and join your fellow members, associates, visitors and enjoy the lunch and meeting. As you know, we meet the third Tuesday of the month at the Olde Summit Towne Restaurant. The meeting starts at 12 noon, but many arrive earlier to get their lunch started. Looking forward to seeing you there!

The Pataskala Area Chamber of Commerce (PACC) exists to represent and promote the economic development of the Pataskala Area (Southwest Licking County), through a proactive voice for its business community with meaningful benefits and leadership to its members.

FEBRUARY!
Valentine's Day & Presidents Day! We should remember both, but there is one that you had better not forget!

Dear Members,

I am happy to announce our speakers for the February meeting are the Harrison Township Trustees. They will be discussing issues and actions that are currently going on in their township. This should be an informative meeting and we encourage every member to attend and please feel free to bring a guest.

Your chamber has been diligently working to provide resources, opportunities and networking experiences to help benefit and grow your business for 2011. We are in the planning process for an-

other Economic Development Forum, a change in location for the Farmers Market and After-Hours events for this coming year. We encourage you to help give the Chamber Board ideas for future speakers, networking ideas, and insights to issues concerning you and your business, so we are asking you to fill out the survey that is enclosed and return it to the chamber office, if you are interested in hosting an event please note your interest in the survey or call the Chamber office.

One last thing; I need your help, if you

know of a business that is not a member of the Chamber, please pass along our information or notify me and I will make a personal introduction to the business or individual. We would like to increase our membership 10% in 2011 which will benefit all members and allow us to fund more events and opportunities for members.

I hope to see everyone February 15th at our next meeting.

Sincerely

Bart Weiler, President
