Zoe Latimer is our Administrative Assistant.

If no one is in the office to answer your call, please leave a message and we will get back with you as soon as possible.

Pataskala finally has a financial mechanism in place! Now we have to learn how to collect it and put it to use!

Pataskala City Council has voted to hire RITA (Regional Income Tax Agency) to provide services relating to the administration, enforcement and collection of the city income tax.

Now the question is: why can't the city do this? Why must a 3rd party become involved? Wouldn't we be farther ahead to do this in house and have that money to spend on the necessary improvements to our infrastructure and all the other services that our residents have had to go without?

City officials and people from RITA will explain how the system has to work and answer the many questions that this new alliance will surely bring.

We hope that many of our members will want to learn how the system is supposed to work and come prepared to ask educated questions. Please spread the word and even bring your neighbors, associates and any other interested parties to this important meeting.

We are looking forward to a great turnout and having lots of the communities concerns addressed and answered. Everyone is invited.

June!

Summer begins! The kids are home & don't have anything to do! Get out that "Honey-Do-List & put them to work!

A Word from Our President:
