October 2008!
Time for the Fall Harvest,
apples, pumpkins, tractors in the
fields and the leaves showing off
their fall apparel! Remember to get
out and VOTE!!

Dear Chamber Members,

The nip of the fall air is here, just enough to lift ones spirits.

The most important thing that any of you can do is go out and support the Pataskala tax issue. This issue is way too important to let go by the wayside. It is the future for the area and the critical support for our citizens. We need to put aside our differences in

this time of crisis. I hope to see all of you at this month's luncheon meeting. This area needs a mechanism or tool to finance the city for its long-term future.

J. Scott Smith

Please consider J. Scott Smith, President voting for this critical issue!
